

Working Wheels Keep Families Working

***Fueled by 15 Years of Service ~ R.A.C.E!
Recognition & Appreciation of our Champions Event
Featuring the Hub Cap Awards***

April 2018

This year, **Wheels of Success**, a local nonprofit, will celebrate 15 years of championship service by hosting R.A.C.E., our 12th annual program honoring community organizations, businesses and individuals who have provided outstanding support to Wheels of Success in the previous year. R.A.C.E., our ***Recognition & Appreciation of our Champions Event featuring the Hub Cap Awards***, will be a lunch this year – Build A Lunch – Build A Car – Build A Life - providing a lunch at 12:00 with presentation from 12:00-1:00pm. Keys to four (4) “new-to-them” vehicles will also be presented to individuals who have been “waiting for wheels,” and past vehicle recipients will be sharing their stories about how their lives have changed since receiving their cars.

Having a vehicle means more than just reliable transportation; it can mean a better job, promotions and an opportunity to lead a more fulfilling life. Wheels of Success has created a number of targeted programs to address specific community needs. From young adults aging out of foster care hoping to continue their education (*Wheels to the Future*), to the domestic violence victims leaving their abuser to start again (*Road to Independence*), to veterans reentering the workforce after serving their country (*Vehicles for Veterans*), to CNAs aiding patients after the buses stop running (*Cars for Caregivers*), to the family ending the cycle of homelessness by finally finding a job and the means to get there, Wheels of Success helps people help themselves.

Since 2003, Wheels of Success has provided cars and car-related services to Tampa Bay families who need transportation to get to work. To date, we have provided 922 vehicles and an additional 782 car related services to working families in the Tampa Bay area. Wheels of Success hosts R.A.C.E. to help pay for the repairs necessary to get donated cars “road ready,” and to recognize community partners with their Hub Cap Awards. I hope you will consider joining me in supporting ***Wheels of Success’ Recognition & Appreciation of our Champions Event featuring the Hub Cap Awards***, taking place in **April 2018** at the **Bryan Glazer Jewish Community Center** in Tampa. Please become a sponsor and support us!

It takes an average of \$3000 to get each donated vehicle repaired and road ready, and our goal this year is to get at least 20 more families on the road with the proceeds raised from this year’s R.A.C.E. program. Event sponsorship opportunities are outlined on the attached form.

Please call me with any questions you may have: 813-995-5040. Thank you for your support!

Sincerely,

Susan Jacobs
