Wheels of Success
15th Anniversary Celebration
featuring the Hub Cap Awards

Wheels of Success will be taking the checkered flag for 15 years of championship service. **Road Trip 2019** is our 12th annual program honoring the community organizations, businesses and individuals who have provided outstanding support to our nonprofit in the previous year. **Road Trip 2019 featuring the Hub Cap Awards**, will be held Friday, February 22nd at the Bryan Glazer Family JCC in Tampa. **Road Trip 2019** is a black and white event, complete with thrill-seeking excitement, special appearances and pit stop experiences, dinner on the circuit. Keys to several “new-to-them” vehicles will also be presented to individuals who have been “waiting for wheels,” and past vehicle recipients will be sharing their stories about how their lives have changed since receiving their cars.

Having a vehicle means more than just reliable transportation; it can mean a better job, promotions and an opportunity to lead a more fulfilling life. Wheels of Success has created a number of targeted programs to address specific community needs. From young adults aging out of foster care hoping to continue their education (*Wheels to the Future*), to the domestic violence victims leaving their abuser to start again (*Road to Independence*), to veterans reentering the workforce after serving their country (*Vehicles for Veterans*), to CNAs aiding patients after the buses stop running (*Cars for Caregivers*), to the family ending the cycle of homelessness by finally finding a job and the means to get there, Wheels of Success helps people help themselves. We are more than just a handout—our vehicle recipients make small interest free payments for one year, along with completing other program requirements, before receiving their title.

Since 2003, Wheels of Success has provided cars and car-related services to Tampa Bay families who need transportation to get to work. To date, we have provided 984 vehicles and an additional 837 car related services to working families in the Tampa Bay area. Wheels of Success hosts this event to help pay for the repairs necessary to get donated cars “road ready,” and to recognize community partners with their Hub Cap Awards. We will hold both a silent and live auction to raise money to support our programs.

We hope you will consider a donation to the auction.

Supporting **Road Trip 2019** by donating an auction item will provide a unique promotional opportunity for your business with little to no cash outlay, as well as provide the following benefits:

- ✿ Distinctive recognition for your business and donation in the event’s auction program. This program will be distributed to more than 400 influential event guests and corporate sponsors.
- ✿ Tax advantages! Wheels of Success is a registered 501(c)(3) nonprofit organization.
- ✿ The satisfaction of knowing that **your** business is supporting **your** community.

If you have any questions, need further information or would like to discuss a possible donation, please contact us at 813-995-5040, or via email at info@wheelsofSuccess.org. On behalf of Wheels of Success and the hundreds of local residents we assist each year, thank you for supporting **Road Trip 2019!**

With sincere appreciation,
