

WHEELS OF SUCCESS

Starts Rolling

Program Services

Wheels of Success provides its clients with:

- Dependable transportation in the form of a car, truck or van
- Assistance with automotive repairs, preventive maintenance and car-care classes for families who have transportation but cannot afford repairs and maintenance

Wheels of Success obtains vehicles through purchase or donation, and restores them to good running condition through the support of partners in the automotive industry. Families approved for a vehicle receive:

- A car, truck or van from the Wheels of Success fleet, or
- A car, truck or van donated specifically for their use by a supporting organization, such as the recipient's church

We operate with a pay-it-forward philosophy. Clients receiving a fleet vehicle "buy" it from the program by making monthly payments based on ability to pay. Clients receiving an earmarked vehicle contribute services and/or money to the program, depending on their financial reality. These payments help Wheels of Success to serve other families.

To find out how you can get involved, call Susan Jacobs at 813-417-1820 or visit our website at www.wheelsofsuccess.org
