Veteran Receives Needed Wheels for Thanksgiving

TAMPA, FL (November 25, 2013) -- Thanksgiving is a time to come together with family and friends to express our gratitude for the many blessings in our lives. As this national day of thanks approaches, State Farm, Ferman Chevrolet and Wheels of Success will express its thanks to a local veteran and his family by helping them get back on the road.

Known for helping hundreds working families waiting for wheels, this is the second car Wheels of Success distributed to a vet this month through its Vehicles for Veterans program - designed to assist members of our military with personal transportation to ease their transition into the civilian workforce after serving our country. Wheels of Success, State Farm and Ferman will make the special presentation to Tobias Lee on Monday, December 25, at 11:00 a.m. at Ferman Chevrolet, 9751 East Adamo Drive.

Lee is a security guard with a 10-month-old son, who needs help getting to work. His wife also needs a way to get to job interviews and to take their young son to doctors appointments. This car will provide Lee and his family with safe and reliable dependable transportation to get to work, stay healthy, and open doors to further career advancement and success.

This is the twelfth vehicle State Farm has donated to help families waiting for wheels, and Ferman has generously reconditioned the vehicle to get it ready for the road. Founder and CEO of Wheels of Success, Susan Jacobs, says "It is because of community partners such as these that we can provide as many vehicles as we do, considering our limited funding and staff. We cannot thank our partners enough for their continued support in honoring local veterans. This delivery is 100% their doing." Wheels of Success would like to thank Tampa Crossroads for connecting us with Lee and his family.

with the support of great partners like State Farm and Firkins Automotive Group.
